

AV Requirements

Michelle Gielan's presentation includes a PPT and two videos. A link to download these items will be provided ahead of time so it can be loaded onto the event computer.

As a backup, Michelle brings her laptop and thumb drive.

A wireless microphone is appreciated. Any room set up will work.

*Recording is not permitted without advanced written authorization from the speaker. **If you plan to video or audio record any portion of Michelle Gielan's program, please contact our office to request a Recording Agreement.** Depending on the intended usage, an additional licensing fee may apply.*
